#6

CSVM is hosting two community projects that are funded by the Massawippi Valley Foundation (FVM).

Stay Safe, Get Healthy, Get Connected programs for seniors in the community – phone chats, short walks, learning how to use an iPhone, tablet, laptop and a Social Café for group get-togethers (virtual now, in-person when restrictions are lifted.) These programs are supported by the Government of Canada and the Community Foundations of Canada.

By Seniors for Seniors in the Age of Covid offers seniors' training in the use of an iPhone, tablet, laptop. It will also conduct a variety of workshops. A 4-week virtual workshop on Getting Your Financial Affairs in Order is offered every Thursday in June at 7 pm. If you or anyone you know are interested in participating in any of these programs, you'll be welcomed by FVM volunteers and dozens of your neighbors who have already enrolled. To join, please phone Dian Cohen **819-993-5824** or email CONNECTING-SENIORS@CSVM.CA.

These programs are supported by the federal government's New Horizons initiative and the Massawippi Valley Foundation.

Spotlight on three directors – your representatives to oversee the Centre de santé

Steve Stafford and his wife Kathy visited Manoir Hovey for a week in 1979. They were so captivated by its charm that they arranged to buy the resort. Over the years, they have created a much more luxurious property and added all modern comforts, but the charismatic character of the place has not changed. Steve has now handed day-to-day management of the resort to his son Jason. Steve has been an annual financial supporter of the Grace Village and many other not for profit organizations. Steve has been very active since its renaissance as a Director and Co-Chairman of Fundraising at Quebec Lodge. Quebec Lodge Outdoor Centre supports the activities of a day and overnight camp that combines Environmental Education with classic camp fun.

Chantal Touzin is an Assurance Partner at the Sherbrooke office of Raymond Chabot Grant Thornton, a professional services firm dedicated to the success of organizations and their leaders. Chantal has over 25 years assurance and consulting experience with a predominantly English-speaking clientele in the Eastern Townships. Her extensive and diverse experience allows her to support her clients in their accounting and financial management challenges.

Henry Khouri, President of CSVM, has more than 30 years experience in healthcare and academia, as well as government and the pharmaceutical/biotechnology industry. He is a multifaceted leader with skills in corporate governance, organizational design, policy development, performance management, as well as business planning and development. He brings great energy and skills to CSVM, leading the Board in developing a 5-year strategic plan and reinvigorating the co-op.

Thank you for choosing Centre de santé and for your continued support.
